Dear Friends:

It gives me great pleasure to welcome everyone to the T10 USA Cricket Tournament.

Sports and the athletes who play them have been an indelible part of New York's vibrant cultural landscape for centuries. Through their passion and resolve, New York's athletes promote the values of determination, friendly competition, and leadership, and they continue to move our city forward, bringing joy to New Yorkers year-round. T10 USA Sports brings together players and fans from across the globe through their shared passion for cricket, and this year's tournament offers all New Yorkers an excellent opportunity to commemorate the exceptional achievements of cricket players from the five boroughs and beyond. I applaud T10 USA's efforts to bring this beloved sport to a wider American audience and drive the development of cricket in our great city, as well as transform the lives of athletes here and around the world. Together, we will continue to work to build a better, brighter future for all.

On behalf of the City of New York, I offer my best wishes for an inspiring tournament, and congratulations to all of this year's participants!

Sincerely,
